

July 21, 2006 WIRAB Meeting Agenda

1. Approve the draft [summary](#) of the July 7 WIRAB meeting
2. Updates
 - Review FERC decisions at its July 20 meeting.
 - BPA conference call on reliability standards – Tony Usibelli (WA)
3. Review and agree on advice to FERC on NERC's proposed reliability standards.
 - If agreement is reached on advice, do we want to meet with FERC staff to elaborate on the written advice?
4. Election of a WIRAB Vice-Chair.
 - The WIRAB Bylaws provide for the election of a chair and vice-chair. John Savage was elected chairman during the last WIRAB conference call meeting.
