

WIRAB Conference Call

Agenda

March 26, 2007

1. Approval of a summary of the February 26 meeting.
2. Updates on recent developments, including FERC's March 15 meeting statutory funding for Western Interconnection Reliability Centers, and proposed regional standards for the Western Interconnection.
3. Review of a proposed 2008 work plan and budget.
4. Potential advice to FERC on the eight regional standards proposed by WECC.
