Sheraton Crescent Hotel
2620 West Dunlap Avenue
Phoenix, AZ 85021
(602) 943-8200

ADVANCE REGISTRATION FORM

Please return by October 26, 2007

Wednesday, November 14 ● Field Trip

A field trip has been arranged for Council members and their guests. Please meet promptly at 10:45 am in the lobby of the Sheraton, so the bus may depart.

We are offering a unique and informative tour of a massive and world-renowned reclaimed/recycled water project. The tour will start with a trip to the City of Phoenix's 91st Avenue Wastewater Reclamation Facility and associated constructed wetlands habitat, Tres Rios. The WRF treats municipal wastewater from several cities in the "Valley of the Sun" and has a current treatment capacity of 179 million gallons per day. A large expansion of the facility is currently underway. Reclaimed water is delivered from the Phoenix WRF to the nation's largest nuclear power plant, Palo Verde Nuclear Generating Station. We will receive an exclusive tour of the Nuclear Generating Station's water reclamation, treatment and disposal facilities.

For security purposes, we will need all names of tour attendees prior to the tours. Also, no photography of the facilities will be allowed so please leave your cameras at the hotel. As we will be outdoors most of the day, it is recommended participants wear sturdy shoes, and bring along a hat, lightweight jacket, sunglasses, and sunscreen.

We will return to the hotel by about 7:00 p.m.

Box Lunch included.

Cost: \$ 35 per person

Thursday, November 15 ● Social Hour

Council members and guests are invited to attend a reception hosted by *Brown and Caldwell* at the Sheraton Crescent Hotel from 6:00 to 7:00 pm.
